Seller's signature in such case is required for administrative purposes only, however written acknowledgement and acceptance by Seller may be a requirement if listed on the Purchase Order. In the case that this Purchase Order constitutes an offer by Buyer, acceptance of this Purchase Order by Seller is expressly limited to the terms and conditions contained in this Purchase Order. Acceptance of this Purchase Order by Seller is expressly limited to the terms and conditions contained in this Purchase Order. Any term or condition stated by the Seller in any prior proposal, on Seller's acknowledgment form, or in otherwise acknowledging or accepting this Purchase Order is deemed by Buyer to be a material alteration of this Purchase Order and is hereby rejected unless Buyer specifically agrees otherwise in writing. Acceptance of the Materials covered by this Purchase Order will not constitute acceptance by Buyer of Seller's terms and conditions. Any of the following acts by Seller will constitute acceptance of this Purchase Order and all of its terms and conditions: signing and returning a copy of this Purchase Order, delivering any of the Materials ordered, commencing performance or informing the Buyer in any manner of commencement of performance, or returning Seller's own form of acknowledgment.

3. PRICE: Seller shall furnish the Materials in accordance with the prices and delivery schedule stated on the face of this Purchase Order. 4. DELIVERY:

a. Time is of the essence in the performance of this Purchase Order. If Seller fails to make shipment or delivery when due, or if any shipment or delivery is made which is not in all respects in accordance with this Purchase Order (including time of shipment or delivery), Buyer reserves the right to reject such delivery, and, if Buyer so elects, Buyer may treat this Purchase Order as repudiated by Seller and cancel it or any outstanding deliveries hereunder, without liability to Seller and without prejudice to Buyer's rights to claim damages or to enforce any other remedy provided by law. All expenses of transportation and storage, if any, resulting therefrom shall be for Seller's account.

b. Any provisions herein for shipment or delivery of Materials or the rendering of services by installments shall not be construed as making the obligation of Seller severable and Seller acknowledges that a default with respect to any one installment shall impair the value of the whole contract. Shipments sent C.O.D. without Buyer's written consent will not be accepted and will be at Seller's sole risk and expense.

c. Invoices shall not be issued nor payments made prior to delivery. Individual invoices must be issued for each shipment under this Purchase Order. All Materials may also be inspected and tested by Buyer, its customers, higher tier contractors, and (in the case of Materials purchased for a U.S. Government contract or subcontract) the U.S. Government, at all reasonable times and places. If such inspection or testing is made on Seller's premises, Seller shall provide without additional charge all reasonable facilities and assistance for such inspections and test. In its internal inspection and testing of the Materials, Seller shall, if required by Buyer, use an inspection system accepted by Buyer in writing. All inspection records relating to the Materials shall be available to Buyer during the performance of this Purchase Order, and for such longer periods as may be specified by Buyer in its acceptance of the inspection system, if any.

c. Final inspection and acceptance by Buyer shall be at destination unless otherwise specified in this Purchase Order. Such inspection shall be in accordance with the stated requirements of this Purchase Order. If rejection of a shipment would result from Buyer's normal inspection level under such procedures, Buyer may, at its option, conduct an above-normal level of inspection, up to 100% inspection, and charge the Seller the reasonable costs thereof. Acceptance of a lot through sampling criteria specified herein shall not preclude Buyer's right to reject, or to exercise any other right or remedy it may have under this Purchase Order or by law with respect to, individual items that fail to comply with any requirement of this Purchase Order.

d. No inspection (including source inspection), tests, approval (including design approval) or acceptance of the Materials shall relieve Seller from responsibility for any defects in the Materials or other failures to meet the requirements of this Purchase Order, for latent defects, fraud, such gross mistakes as amount to fraud, and Seller's warranty obligations. If the Materials are defective or otherwise not in conformity with the requirements of this Purchase Order, Buyer may, by written notice to Seller: (i) rescind this order as to such Materials; or (ii) reject such Materials and require the delivery of replacements. Deliveries of replacements shall be accompanied by a written notice specifying that such Materials are replacements. Seller shall be responsible for, without limitation, additional inspections to ensure compliance where necessary, investigations into inspection failures, any penalties or costs incurred by Buyer as a result in delay in delivery, and remediation costs for defective Materials.

6. WARRANTY:

a. If any warranty clause is incorporated below under Clause 40, Special U.S. Government Provisions, or in the Special Provisions, such warranty provisions are in addition to the provisions in this clause to the extent to which they are consistent. Even if the Parties disagree about the existence of a breach of this warranty, Seller shall promptly comply with Buyer's direction to repair, rework or replace the Materials. If the Parties later determine that Seller did not breach this warranty, the Parties shall equitably adjust the price of the Materials under this Purchase Order.

f. In addition to any other remedies Buyer may have under this Purchase Order or at law, if the Services are found not to be performed as warranted within a period of one (1) year after the conclusion of the performance of the Services by Seller, Seller shall, at Buyer's option, either refund to Buyer the amount paid for the Services, or perform the Services again in a proper manner to the extent necessary to provide Buyer with the result originally contemplated by Buyer.

g. With respect to Materials found not to be as warranted, Seller shall bear the costs, if any, of inspection, disassembly, reassembly, retesting and any other similar costs incurred in connection with, or as a consequence of, correction, repair or replacement of Seller's Materials, including any such costs associated with assemblies into which Materials have been incorporated. If any provision of this Purchase Order is found to be illegal or otherwise unenforceable by any court or other judicial or administrative body, the other provisions of this Purchase Order shall not be affected thereby, and shall remain in full force and effect. 21. TERMINATION:

a. **Convenience.** Buyer may, at any time, terminate this Purchase Order in whole or in part for its convenience by written notice, or oral notice confirmed in writing.

(1) Upon termination for convenience of Buyer, settlement shall be made in accordance with the following principles:

(a) If the materials covered by the Purchase Order are shelf items, then Buyer shall be liable to Seller only for the difference between Purchase Order price and the fair market price or the amount received on disposal of the items, whichever price or amount is higher. In no event shall Buyer be liable for an amount in excess of 15% of the Purchase Order price.

(b) If the materials covered by the Purchase Order are special order items or services, then Buyer shall be liable only for costs of direct materials, direct labor and variable overhead incurred prior to the date of termination that relate directly to the materials covered in the Purchase Order, less any salvage value. In no event shall Buyer be liable in an amount more than the Purchase Order price for the terminated Materials.

(2) In the event that this Purchase Order is issued to support a United States Government contract, termination for convenience of Buyer shall be made in accordance with the principles contained in Federal Acquisition Regulation (FAR) clause 52.249-2 (Termination for Convenience) in effect as of the date of this Purchase Order, and in which (i) "Contracting Officer" means "Buyer's Representative," (ii) "Government" means

“Buyer,” and (iii) “Contractor” means “Seller.” The provisions of clause 52.249-2 shall govern such termination for convenience with the following exceptions: (i) Seller shall must submit a complete inventory schedule under paragraph (c) of FAR 52.249-2 within sixty (60) days from the effective date of termination; (ii) Seller shall submit a final termination settlement proposal under paragraph (e) of FAR 52.249-2 within six (6) months; (iii) Seller must submit any claim for equitable adjustment under paragraph (l) of FAR 52.249-2 within forty-five (45) days from the effective date of termination; and (iv) all references to and the right to appeal under the Disputes Clause of FAR 52.249-2 are hereby deleted.

b. **Default.** If Seller fails to make delivery of the Materials, in accordance with the delivery dates specified in this Purchase Order, fails to perform any of the requirements or to perform any of the other provisions of this Purchase Order, or fails to make progress so as to endanger performance of this Purchase Order in accordance with its terms and does not cure such latter failure within ten (10) days after notice from the Buyer, Buyer may (in addition to any other right or remedy provided by this Purchase Order or by law) terminate all or any part of this Purchase Order by written notice to Seller without liability and purchase substitute goods elsewhere, and Seller shall be liable to Buyer for any excess cost occasioned Buyer thereby. Seller shall continue performance of this Purchase Order to the extent not terminated pursuant to this Clause 21(b). Except with respect to defaults of subcontractors at any tier, Seller shall not be liable to Buyer for any excess costs if the failure to perform this Purchase Order arises out of causes beyond the control and without the fault or negligence of the Seller. If the failure to perform is caused by the default of a subcontractor at any tier, and if such default arises out of causes beyond the control of both the Seller and subcontractor, and without the fault or negligence of either of them, the Seller shall not be liable for any excess costs for failure to perform to Buyer, unless the Materials to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Seller to meet the requirements of this Purchase Order.

If this Purchase Order is terminated as provided in this Clause 21(b), the Buyer, in addition to any other rights provided herein, may require the Seller to transfer title and deliver to the Buyer: (i) any completed Materials, and (ii) such partially completed Materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights as the Seller has specifically produced or specifically acquired for performance of this Purchase Order.

If, after notice of the termination of this Purchase Order "with cause," it is determined that the failure to perform is due to causes totally beyond the control and totally without the fault or negligence of the Seller, such notice of default shall be deemed to have been issued pursuant to Clause 21(a) hereof, and the rights and obligations of the parties hereto shall be governed by Clause 21(a). The rights and remedies of Buyer in this Clause are in addition to any other rights and remedies provided by law or under this Purchase Order.

22. LIMITATION OF LIABILITY:

NOTWITHSTANDING ANY PROVISION OF THIS AGREEMENT TO THE CONTRARY, UNDER NO CIRCUMSTANCES SHALL BUYER BE LIABLE TO SELLER (i) FOR ANY PUNITIVE, EXEMPLARY OR OTHER SPECIAL DAMAGES ARISING UNDER OR RELATING TO THE PURCHASE ORDER OR THE SUBJECT MATTER HEREOF OR (ii) FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOSS OF USE, GOODWILL, INCOME, PROFITS OR ANTICIPATED PROFITS, BUSINESS OR BUSINESS OPPORTUNITY, SAVINGS, DATA, OR BUSINESS REPUTATION) ARISING UNDER OR RELATING TO THIS PURCHASE ORDER OR THE SUBJECT MATTER HEREOF, REGARDLESS OF WHETHER SUCH DAMAGES ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), UNDER WARRANTY, OR ANY OTHER THEORY, AND REGARDLESS OF WHETHER BUYER HAS BEEN ADVISED OF, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBLITY OF SUCH DAMAGES. THIS PROVISION SHALL SURVIVE ANY TERMINATION OR EXPIRATION OF THIS AGREEMENT FOR ANY REASON.

All specifications, drawings, and data submitted to Seller with this Purchase Order are hereby incorporated herein and made a part hereof. Irrespective of the place of performance, this Purchase Order will be construed and interpreted according to the Federal Common Law of Government Contracts as enunciated and applied by Federal Judicial Bodies, Boards of Contract Appeals, and Quasi-Judicial Agencies of the Federal Government. To the extent that the federal common law of government contracts is not dispositive, the laws of the State of Florida shall apply, exclusive of its rules concerning conflicts of laws. .

of forced labor, and further that, Seller will, if this Purchase Order is in support of a U.S. Government program, comply with the following FAR and DFARS clauses associated with Combating Trafficking in Persons including, but not limited to: FAR 52.222-50, FAR 52.244-6, DFARS 252.203-7004, DFARS 252.222-7007, and DFARS 252.225-7040. Seller hereby agrees to defend and indemnify Buyer from and against any liability that Buyer may incur as a result of violation of any relevant law or regulation.

If applicable, Seller acknowledges it is aware of and in full compliance with California's Transparency in Supply Chains Act (Cal. Civ. Code §1714.43), and will continue to be in compliance throughout the duration of this Purchase Order. If Seller does any business in the State of California, whether under this Purchase Order or otherwise, Seller shall assume this Act applies.

25. PUBLICITY: Seller shall not make or authorize any news release, advertisement, or other disclosure (except as required by law) that denies or confirms the existence of this Purchase Order without prior written consent of Buyer.

26. CHANGES: This Purchase Order and the terms and conditions herein may not be changed in any respect without written approval or direction of Buyer's Representative. Buyer may, at any time, by written instruction from Buyer's Procurement Department to Seller, make changes in the work to be performed or the items to be furnished hereunder in any one or more of the following: (a) drawings, designs, or specifications; (b) method of shipment or packing; (c) time and/or place of inspection, delivery, or acceptance of the Materials; and (d) the quantity of items ordered. If Seller deems any instruction or direction by or on behalf of Buyer to be a change to this Purchase Order, it must so notify Buyer in writing within seven (7) days of the receipt of such instruction or direction. If such changes cause an increase or decrease in the amount due under the Purchase Order or the time required to perform and Seller makes a proper and timely request, an equitable adjustment shall be made and the Purchase Order shall be modified in writing accordingly; provided however, that any equitable adjustment in price to which Seller may be entitled as a result of an increase in the quantity of items ordered shall not exceed the unit price established for such items herein. Any equitable adjustment for suspension or interruption of, or delay in, Seller's performance shall exclude profit. Any claim hereunder must be asserted in writing within fifteen (15) days from the date the change is ordered. Nothing contained herein shall excuse Seller from proceeding without delay with the Purchase Order as changed, including failure of the parties to agree upon any equitable adjustment. Buyer's engineering and technical personnel are not authorized to change the Goods or Services ordered or any other provision of this Purchase Order. Changes shall not be binding upon Buyer, except when confirmed in writing by an authorized member of Buyer's Procurement Department.

27. DISPUTES:

a. **Claims for Adjustment.** For any claims seeking an equitable adjustment or other relief in excess of \$100,000 submitted by Seller under this Purchase Order, Seller shall submit to Buyer a signed certificate that states as follows, substituting Seller's legal name where indicated: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the Purchase Order adjustment for which [the Seller] believes General Dynamics Ordnance and Tactical Systems is liable; and that I am duly authorized to certify the claim on behalf of [the Seller]." If requested by Buyer, Seller shall identify the portion of its claim for which it believes the Government is liable and shall execute the certification above, substituting "the Government" for "General Dynamics Ordnance and Tactical Systems" as to such amount. **THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS SHALL NOT APPLY TO THIS ORDER.**

If Buyer appeals or commences an action regarding such decision, any decision upon such appeal or action, if binding upon the Buyer under the Prime Contract, shall be binding upon the Buyer and Seller as it relates to this Purchase Order. If any appeal is taken or an action commenced by Buyer, Seller shall assist Buyer in its prosecution thereof in every reasonable manner and otherwise fully cooperate with Buyer at Seller's own expense.

If, as a result of any decision or judgment binding upon Buyer, Buyer is unable to obtain reimbursement from the Government (or Buyer's customer) for, or is required to refund or credit to the Government (or Buyer's customer), any amount with respect to which Buyer has paid Seller, Seller shall, on demand, promptly repay such amount to Buyer. In no event shall Buyer be liable to Seller for any Claim submitted by Seller that the Government rejects.

c. Resolution of Other Disputes. Any dispute between Buyer and Seller that is not resolved pursuant to the provisions of this Purchase Order or through discussions between the parties may be resolved through legal action. The Parties covenant and agree that any and all actions arising out of or related to this Agreement shall be brought and maintained in the federal and state courts sitting in Hillsborough County or Pinellas County, Florida, and Seller and Buyer irrevocably consent and submit to the exclusive jurisdiction of and the service of process for such courts for any and all actions arising under or relating to this Purchase Order. **THE PARTIES HEREBY IRRECOVABLY WAIVE ANY AND ALL RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATING TO THIS PURCHASE ORDER.**

e. Except as expressly set forth in this Document, in the associated Purchase Order, or as expressed in writing by the Buyer's Representative, and only if Buyer has received the U.S. Government Contracting Officer's consent, the Seller shall not make any direct claims or take direct course of action against the U.S. Government.

28. COMPLIANCE WITH EXPORT LAWS. The information provided by Buyer may be subject to the U.S. export control laws and regulations, including the International Traffic in Arms Regulations (ITAR). Seller may not export or re-export any information, technical data, or supplies except in strict compliance with all U.S. export control laws and regulations, including ITAR. Technical data that are controlled by the ITAR shall not be released to foreign nationals, including employees, companies, or other entities, whether within or outside of the United States, unless the Seller shall first obtain the written consent of Buyer, and shall obtain the appropriate license or other advance approval from the U.S. Government. Seller's obligation to adhere to the ITAR shall survive the expiration or termination of this Purchase Order. Seller hereby agrees to defend and indemnify Buyer from and against any liability which Buyer may incur as a result of Seller's violation of any U.S. export or re-export control law or regulation.

ORDER OF PRECEDENCE: Any inconsistency in this Purchase Order shall be resolved by giving precedence in the following order: (a) the face of this Purchase Order; (b) Special Provisions, if any; (c) these Standard Terms and Conditions; (d) Attachments, Exhibits, or Annexes, if any; and (e) the Statement of Work. Notwithstanding the foregoing, no term shall conflict with any required FAR/DFARS provisions, in which case the required FAR/DFARS clause(s) shall take precedence.

30. RETENTIONS: In addition to any other rights Buyer has, Buyer may, at its sole option, withhold payment of up to ten percent (10%) of the total value of this Purchase Order or individual invoices until Seller provides all required objective quality evidence, submits required data items, and satisfactorily fulfills all other reporting and documentation requirements.

31. RECORDS RETENTION: Seller shall retain all inspection, acceptance, quality, financial and contractual records, documents, and supporting information required for the performance of this Purchase Order for a period of six (6) years after final payment.

32. PRICING OF ADJUSTMENTS. All adjustments, including but not limited to "equitable adjustments," under this Purchase Order shall be based upon Seller's costs, plus a reasonable profit unless profit is expressly excluded by language of this Purchase Order. Seller's costs shall be those that are reasonable, allowable, and allocable under the standards of Part 31 of the Federal Acquisition Regulation (and, if this Purchase Order is issued under a contract or subcontract with any Department of Defense entity, Part 231 of DFARS) as in effect in Buyer's Contract on the date of this Purchase Order.

33. PROPRIETARY INFORMATION. All written information obtained by Seller from Buyer in accordance with this Purchase Order and which is identified as proprietary by Buyer shall be received in confidence and shall remain the property of Buyer, and shall be used and disclosed by Seller only to the extent necessary for the performance of this Purchase Order except that upon prior written notice to Buyer, Seller may use such information in the manufacture of end items for direct sale to the Government to the extent that the Government has the right to authorize such use by Seller, and, provided that Seller, to the extent practicable, prominently identifies such end items as being manufactured by Seller for direct sale to the Government. If Buyer and Seller have separately executed a written agreement regarding the protection and disclosure of information obtained by Seller from Buyer under this

Purchase Order and such written agreement conflicts with this provision, then the terms of the written agreement shall control.

Seller shall not provide any proprietary information to Buyer, nor shall Buyer be required to take any steps to protect any information provided by Seller, unless Buyer and Seller have separately executed a written agreement regarding the protection and disclosure of such Seller information.

34. ASSURANCES. Seller understands and agrees that, as partial consideration under this Purchase Order, it is obligated to provide certain assurances of its ability to continue its business and perform in the event of a disaster. To that end, Seller agrees to establish and/or maintain a Business Continuity Disaster Recovery Plan (BCDR) which shall remain in effect at least during the term of this Purchase Order. Such plan shall be provided to Buyer upon request, and shall, at a minimum, provide a reasonable and realistic plan of action on how Seller will remain capable of performing, transfer performance temporarily to another provider, or recover operations within a very short period of time (within days) after a disaster. If Buyer disapproves of Seller's BCDR, Seller shall make such changes to meet the requirement of this clause

b. For any breach of Seller's obligations under this Clause, Buyer shall have, in addition to any other rights provided by this Purchase Order, the right to terminate any or all Purchase Orders with Seller for cause, and to recover from Seller the amount of any gratuity, plus all reasonable costs (including attorney fees) incurred in seeking such recovery. (Seller is also advised that, if this Purchase Order is issued under a prime contract or subcontract of the Government, any gratuity offered or given in violation of this Clause may also entail liabilities of Seller under applicable statutes, regulations, or other Purchase Order provisions.)

38. CONSTRUCTION. This Purchase Order shall be construed to have been drafted equally by all parties. The language of all parts of the Purchase Order shall be construed as a whole, according to its fair meaning, and any presumption or other principle that the language herein is to be construed against any party shall not apply. No revision, addition, amendment, or supplement to this Purchase Order or to any of its terms or conditions shall be effective unless agreed to in writing and signed by Buyer's Representative.

40. SPECIAL U.S. GOVERNMENT PROVISIONS. The provisions set forth in this Clause shall apply only if this Purchase Order is issued under a Government prime contract or under a subcontract, at any tier, issued to Buyer under a Government prime contract.

c. Seller agrees it will negotiate Purchase Order modification(s) in good faith to incorporate additions, deletions, and changes to the clauses set forth below if Buyer deems them necessary to comply with Buyer's Contract or modifications to Buyer's Contract. If any such modification to this Purchase Order causes an increase or decrease in the cost, or the time required for the performance, of any part of the work under this Purchase Order, an equitable adjustment shall be made pursuant to the "Changes" clause of this Purchase Order.

d. The following clauses of the FAR and DFARS are incorporated herein by reference, and made part hereof with the same force and effect as if they were given in full text, to the extent and with the changes to the clause text specified herein.
